

## Know Your Patient Rights

- ✓ You have the right to have only indicated medications ordered for and administered to you.
- ✓ You have the right to a safe medication process that incorporates the “5 Rights”.

### The “5 Rights”

- The Right Patient
- The Right Drug
- The Right Dose
- The Right Route
- The Right Time

- ✓ You have the right to receive education about your medications. This includes what, how, when, and why to take all of your medications.
- ✓ You have the right to meet the pharmacist and understand what he/she does.
- ✓ You have the right to expect a knowledgeable and skilled pharmacy workforce.
